**Copyright Claimant:** Julius JanMichael Johnson. Address: 205 county road 433, englewood, Tennessee, 37329, United States.  
**Date of Creation:** 2011  
**Date of Publication:** 2011-09-23

**Authorship on Application:** Julius JanMichael Johnson; Citizenship: United States. Authorship: sound recording, Composition/music.  
**Supplement to Registration:** SR0000921043, 2022.  
**Amplifications Explained:** Author/Applicant filed his SR application pro se and inadvertently omitted the underlying composition/music from the basic registration application. Author/Applicant is the author of the SR as well as the underlying composition, both published at the same time. While Author/Applicant included a note to CO that mentions that underlying composition contained therein, he mistakenly failed to add the music in the "other" box of the authorship section. Accordingly, Author/Applicant hereby amplifies the earlier registration to include the music contained in the earlier registered sound recording and deposit copy.

Had the Copyright Office recognized this note to indicate that the applicant wished to register the musical work in addition to the sound recording, the Office would have corresponded with the applicant and added the claim in the musical composition to the application. Musical works and sound recordings authored and owned by the same person may be registered together on one SR application. Compendium 1104; 37 CFR 202.3(b)(iv)
